### **4(b) Continuing Duty of Eligibility for Membership**

All Members of the Association have a continuing duty to maintain eligibility for membership as outlined in Art. III, Section 2. If any changes occur which could result in a

Member becoming ineligible for continuing membership, that person has a duty to either resign from the Association or to report such change to the President or Executive Director for a determination of continuing eligibility for membership. The procedure for determining continued eligibility shall be the same procedure for determining initial eligibility in Section 3 of this Article.

#### **4(c) Eligibility Investigations**

The President and Executive Director shall take every reasonable effort to ensure that only eligible persons become and remain Members of the Association. If any information becomes known to a Member of the Executive Committee or Board of Directors that a Member may no longer be eligible for Membership, the President or President's designee shall cause the matter to be investigated by the Membership Committee following the procedures outlined in Art. III, Section 3.

#### **4(d) Standards of Membership**

All classes of Members, at all times, are expected to comport themselves professionally and personally in keeping with the best interests of justice, respect, collegiality, synergy promotion, honesty, candor, goodwill and anti-discrimination. Failure to comport with these principles may result in revocation of membership as outlined below.

#### **4(e) Revocation of Membership.**

## 1. Complaint

Any Member of the Association may file a written request to revoke the membership of another DUIDLA Member. This request, herein referred to as the “complaint”, shall be made to the Parliamentarian or Executive Director if the complaint seeks to revoke the Parliamentarian’s membership. Such complaint shall be in writing and must include the details of the incident and/or perceived grounds for revocation of membership, and/or any admissions made by the member in question related thereto. The person filing the complaint must include detailed information about the sources used and any collateral sources relied upon, in order to enable verification of the information.

Once a complaint is filed, the complaining member agrees to keep the matter strictly confidential and not discuss the nature or facts of the complaint with any other DUIDLA member while the complaint is under review.

## 2. Parliamentarian Preliminary Review

Upon receipt of the complaint, the Parliamentarian shall, within 14 days, conduct a preliminary review of the complaint to ensure it is valid. In conducting the preliminary review, the Parliamentarian shall determine whether the request is:

- Substantive,
- Contains adequate details/facts to state a claim, and
- Complies with the procedure outlined herein.

If the Parliamentarian determines that the complaint meets those factors, the complaint shall be formalized and referred to the Executive Committee as outlined below.

If the complaint is dismissed for procedural deficiencies, the complaining member will have one opportunity to cure the defect in the complaint and resubmit it.

The Parliamentarian shall prepare a report outlining the initial review under this section and transmit it to the Executive Committee within 14 days.

### 3. Executive Committee Initial Review

Any complaint formally referred to the Executive Committee under the procedure outlined above shall be reviewed by the Committee. The Executive Committee shall deliberate the complaint based solely upon the evidence presented in the complaint. The sole determination to be made by the Executive Committee at this point is whether the allegations in the complaint, unresponded to, appear sufficient in both content and credibility to merit revocation of the Member's membership status. Investigations by DUIDLA of a complaint at this stage will not go beyond (1) the information presented in the complaint and any accompanying documents, and (2) any relevant information otherwise available publicly (such as publications, police, or court records). Based upon the submitted documents and evidence, the Executive Committee will decide, by majority vote, whether to proceed with the revocation procedure or

dismiss the complaint. The Executive Committee's decision on this matter is final and not subject to appeal.

#### 4. Executive Committee Formal Review

If the Executive Committee proceeds with the revocation procedure, the Member that is the subject of the complaint will be notified of the request for revocation confidentially in writing. The Member will be offered the option to resign their membership status. The Committee will define a reasonable timeline for the components of procedure set forth in this paragraph. If the Member chooses not to resign, the Member will be invited to respond in writing to the complaint, and if desired, to make an oral presentation to the Executive Committee, which will ordinarily occur via telephone or video conference. Such conference will not include any representatives of the Member, and will be limited in time and scope per the direction of the Committee. If the Member seeks to have witnesses provide evidence or information on his/her behalf, that evidence/information must be provided in written and signed form to the Executive Committee by those witnesses by the deadline set for response.

#### 5. Executive Committee Deliberation and Vote

After the deadline for response has passed, the Committee will consider the original complaint, the Member's responses, if any, and may also consider any other pertinent information of public or official record. The Committee will not conduct any investigation outside of (1) the

information presented in the complaint and any accompanying documents, (2) any responsive information and presentation supplied by the Member pursuant to paragraph 4 of this procedure, and (3) any relevant information otherwise available publicly (such as publications, police or court records). The Committee will then meet in closed session to discuss and vote on a motion of revocation. A 2/3 majority vote of the Executive Committee is required for this motion to pass. The decision of the Committee is final and not subject to appeal.

## 6. Recusal

If the Member subject to the complaint is an Executive Committee member, then that person may not participate in any discussions or meetings on the matter and must recuse from all involvement in the determination of matters set forth herein.

## 7. Final Report

After the final decision is made, the Committee will provide a summary report to the Board at the next in-person Board Meeting. The report will indicate if the motion passed or not, but neither the vote tally nor the decisions of individual members of the Committee will be included. Within 30 days of the decision, the Executive Director will share this report with the Member under review and the member who submitted the complaint.

If the Executive Director, in consultation with the Committee, determines there should be an announcement or

publication of the decision to revoke membership status, the background factors or bases for the revocation may be included in the announcement.

#### 8. Reconsideration

After a Member's status has been revoked or a Member has resigned under these revocation procedures, should significant, material new evidence come to light that would call into question the conclusion to revoke membership status, the Member may request reinstatement. Such petition shall initially be made to the parliamentarian who shall conduct an initial review of the petition as outlined in paragraph 2 of this section. The process and procedure for reinstatement will be substantively equivalent to the procedure to revoke membership status, and any vote to reconsider the revocation of membership requires a 2/3 vote of the Executive Committee.

#### 9. Eligibility for Reinstatement of Membership

Any member who resigned or whose membership was revoked under this section may apply to reinstatement to the Organization no earlier than one year after the date of resignation or revocation. Such request shall be referred to the Board of Directors at the next regularly scheduled in-person Board Meeting. A 3/4 vote of the Board is required to reinstate the person to membership.

### **Section 5 – Lack of Ownership.**

Being a member of the organization shall not vest the

member in any ownership interest in the organization.

## **Section 6 – Advertising and Marketing of Membership Categories.**

The Board of Directors shall establish a policy governing the acceptable terms of use for the logo and the organization's name. All members shall adhere to these terms or face consequences such as private reminder, public reminder, or removal from the organization.

Persistent infringements of this policy are grounds for revocation of membership as outlined in section 4 above.

Nothing herein shall be deemed as a limitation to a potential legal cause of action by the DUIDLA against a member, former member or non-member for unauthorized use of the DUIDLA's name or logo or a badge or other insignia created by the DUIDLA.

## **ARTICLE IV – OFFICERS OF THE ASSOCIATION**

The President is the chief executive officer of the Association and shall supervise and coordinate the activities of the Association and preside at its meetings. The President shall have all other duties as specified in these bylaws.

The President does not cast a vote during Board of Director meetings unless his/her vote is needed to break a tie.

### **Section 4 – President-Elect**

The President-Elect shall assist the President and perform such other duties as may be prescribed by the President or Executive Committee. As provided for by Section 11 of this Article, the President-Elect shall act as chief executive officer of the Association in the absence of the President.

The President-Elect shall supervise all Committees of the

Association and shall ensure preparation for an orderly transfer of power.

On or before December 15 of a given year, the President-Elect shall transmit to the President an organizational document for his or her term of office. The organizational document shall assign all duties of the Association and shall include all appointments the President is obligated to make under these bylaws, as well as any additional delegations of the authority that are permissible under these bylaws.

In completing the organizational document, the President-Elect shall consult with the current President and President Emeritus for advice.

## **Section 5 – Vice Presidents**

There shall be three Vice Presidents of the Association.

Upon assumption to office, the President will designate each of the Vice Presidents with one of the following roles:

### **1. Vice President for Finance**

The Vice President for Finance shall serve as or supervise an appointed Financial Director. If someone is appointed as Financial Director they must be a current member of the Board. As specified in Article X, the Financial Director shall coordinate all financial matters with the Executive

Director and assist with any financial matters as requested by the Executive Director.

2. Vice President for Training, Education, and Advancement

The Vice President of Training, Education, and Advancement shall have primary responsibility to oversee all educational and training sessions sponsored by the Association, including the semi-annual seminars. This Vice President shall oversee the CLE, Board Certification, and Amicus standing committees.

3. Vice President for Member Affairs

The Vice President of Member Affairs shall have primary responsibility to oversee membership relations and affairs. These primary responsibilities include support for membership renewal and expansion and any questions about eligibility of members. This Vice President shall oversee the Membership and Awards Committees.

**Section 6 – Parliamentarian**

The Parliamentarian of the Association shall attend meetings and assure that minutes of all meetings of the Association are kept and shall be charged with knowing the bylaws, protocols and voting procedures of the organization. Should any questions arise, in general or during meetings, about the procedures to be followed the

Parliamentarian shall advise the President or the Chair of the meeting about the proper procedure to be followed. The decision of the Chair may be appealed to the membership of the meeting, but a 2/3 majority is required to overrule the decision of the Chair.

The Parliamentarian further shall be responsible for maintaining a current account of all officers, Board members, and bylaws and shall ensure that the website accurately reflects those positions. Additionally, the Parliamentarian must maintain an accurate recording of all resolutions made by the Board. All resolutions shall be numbered in a manner that indicates the date such resolution was approved.

## **Section 7 – President Emeritus**

The position of President-Emeritus shall be assumed by the outgoing President. The President-Emeritus shall be an officer of the association and a voting member of the Executive Committee. His or her primary role shall be to act as an advisor to the President and to aid the President in carrying out the duties of that office. If the President-Emeritus is or becomes unwilling or unable to serve in that position, the Executive Committee has the option of filling it by appointing a previous President-Emeritus to the position or leaving the position vacant until the current President ends his or her term of office and moves into that position.

## **Section 8 – Term of Office**

All officers of the organization shall serve a single, one-year term in office commencing at 12:01AM on January 1 of any given year and expiring at 11:59PM of December 31 of the same calendar year. Upon extraordinary circumstances, the Board of Directors may, by  $\frac{3}{4}$  vote, extend any officer's term of office to a date certain, not to exceed one additional year.

## **Section 9 – Consecutive Terms Permitted**

Nothing in these bylaws should be construed as limiting the election or appointment of any officer to consecutive terms in any office.

## **Section 10 – Removal of Officers**

Any officer of the Association may be removed from office for good cause shown, as determined by the Board of Directors. A Member of the Board of Directors may make a motion to remove an officer by written motion setting forth the reasons that justify removal. Such motion shall be made to the President, unless the President is the subject of the motion for removal, in which case the motion shall be made to the President-Elect. No motion to remove an officer shall be considered unless it has the support of at least eight (8) members of the Board.

Upon receipt of a motion for removal with the requisite

support, the President (or President-Elect) shall call a Special Board Meeting no sooner than seven (7) days and no later than thirty (30) days from receipt of the motion. During this meeting, both the movant and the respondent of the motion will have the right to address the Board, and this portion of the meeting shall be open to all members of the Association. After the movant and respondent have addressed the Board, the Board will deliberate in executive session chaired by the President (or President-Elect, in the case the President is the subject of the removal motion.) The chair may make reasonable limits on the manner and length of the debate but shall allow all voting Board members a minimum of one opportunity to speak. A 3/4 vote of all members present and voting is required to remove the member from office. Such a vote shall be by secret ballot.

### **Section 11 – Unavailability of Officers**

In the event that any officer is unavailable to discharge the duties of their office for a period exceeding seven (7) consecutive days, that officer should notify the President (or President-Elect in the case of the President's unavailability) of such fact. The President shall then appoint any other officer or Board Member to temporarily take over the duties of that office in a temporary manner until the officer is again available to discharge the duties of his or her office.

In the event the officer is unable or unwilling to declare themselves unavailable to discharge the duties of the office,

any member of the Executive Committee may move to declare the office temporarily vacant. Such motion requires a 2/3 majority of the Executive Committee to adopt, excluding the member who is allegedly unavailable. In that case, the President shall appoint a temporary acting replacement until the unavailable officer is again available to discharge the duties of office. If any dispute arises over the availability of the officer to serve, the Executive Committee shall decide that question with a 2/3 majority required to declare the officer unavailable, excluding the allegedly unavailable officer.

In cases where the President is unavailable, the President-Elect shall assume the acting Presidency until the President is again available under this section.

## **Section 12 – Vacancies**

### **12(a) Inferior Offices**

Upon the death, resignation, or removal from office of any officer except the office of President or President Elect, a vacancy in an inferior office is present. The vacancy may be filled as follows:

1. The Executive Committee may choose not to fill the vacancy.
2. If the vacancy occurs in the office of Vice President, the President may ask the Parliamentarian to assume

the role of Acting Vice President. If the Parliamentarian accepts the appointment, that person becomes Acting Vice President and the office of the Parliamentarian becomes vacant and may be filled as provided in this section.

3. If the vacancy occurs in the office of Parliamentarian, the President may nominate a replacement officer for the Parliamentarian. Such nomination shall be approved by a 2/3 vote of the Executive Committee and shall serve out the balance of the term of the Parliamentarian.

### **12(b) – Vacancy in the Office of President**

Upon the death, resignation, or removal from office of the President, the President-Elect shall immediately assume the duties of the office of President and shall serve out the remaining term of the previous President, as well as his or her full one-year term.

### **12(c) – Vacancy in the Office of President-Elect**

Upon the death, resignation, or removal from office of the President-Elect, a new special election shall be held. The previous nominating committee shall be reconvened within thirty (30) days to recommend a new candidate for President-Elect. Upon publication of the nominating committee's recommendation, any Member may petition to be a candidate for president elect in the same manner as

specified in Article VII, Section 3, provided that the petition will be due within 7 days of the date of the publication of the nominating committee's recommendation. If there is a contested election for President-Elect under this section, the President will schedule a vote within 30 days of the date of the announcement of the contested election. Such a vote will be held under the same rules for a contested election as specified in Article VII.

## **ARTICLE V – BOARD OF DIRECTORS**

### **Section 1 – Power and Duties**

The Board of Directors of the Association shall manage and direct the business of the Association. Except in cases where these bylaws specifically give authority to other officers or bodies of the Association, the Board of Directors may engage in any and all business of the Association in accord with all Federal, State, and Local Laws. Other than contracts related to seminars, Board of Directors approval is required for approval of any other contract agreed to by the DUIDLA.

Any formal action taken by the Board of Directors shall be called a “resolution”. All resolutions of the Board must be in writing or transcribed verbatim by the Parliamentarian if made orally.

## **Section 2 – Composition**

The voting members of the Board shall be composed of the following members:

1. The seven (7) officers of the Association as specified in Article IV.
2. All Past Presidents of the Association
3. Pursuant to Article VII of these bylaws, fifteen (15) elected members.

## **Section 3 – Eligibility**

Only General, Charter, Sustaining, and Founding Members who are current with their dues and are in good standing with the Association are eligible to be on the Board of Directors. Members must have been active in the Association for a minimum of three years prior to being eligible to be on the Board.

No member who is serving as an officer, board member or the equivalent position with another national DUI defense organization may serve concurrently as an Officer or Director of the Association

## **Section 4 – Board Meetings**

### **4(a) Board Meeting Policy**

The Board shall hold meetings from time to time to conduct the business of the Board. Unless otherwise specified in these bylaws, all Board meetings are open to all membership.

The President may call a special membership meeting at any time for any specified purpose.

#### **4(b) Semi-Annual Meetings**

The Board of Directors shall hold 2 (two) semi-annual in-person meetings per year. Each semi-annual meeting of the Association shall be held at a time and place fixed by the President, and notice shall be given of that meeting at least 30 days in advance of the meeting. The agenda of these meetings shall be fixed by the President, provided that the agenda include time set aside for any Board Member to bring new business before the Board.

Any member wishing to address the board or bring business to the Board shall notify the President, via email, at least 7 days in advance of the Board Meeting to reserve time on the agenda. The President has the sole discretion about whether to make any additions to the agenda. Unless the Board, by majority vote, proceeds into executive session for a specified agenda topic, all semi-annual board meetings are also general membership meetings and shall be open to all members.

#### **4(c) Special Board Meetings**

The President may call a special Board Meeting for any necessary reason by providing the Board a notice of the special Board Meeting as soon as practicable, but not sooner than three (3) days after issuing the notice of a special meeting. The Executive Committee may waive the three-day notice requirement in cases of exigency. The agenda at a special Board Meeting is to be set by the President. A special Board Meeting under this section may be in person or via video conferencing at the discretion of the President. Special Board meetings are open only to members of the Board unless otherwise specified by the President.

#### **4(d) Special Board Meetings Called by the Board**

A special Board Meeting may also be called by either of the following:

1. A majority of all voting members of the Board;
2. Eight (8) of the fifteen elected members of the Board; or
3. A majority of past presidents on the Board.

A request for a special Board Meeting shall be made in writing to the President along with the names of the persons requesting the special board meeting. The request for a special meeting shall contain the topics to be discussed at

the meeting and a proposed time and date of the Board Meeting. The President shall schedule the Board Meeting at the time and date requested, so long as the proposed time and date is not manifestly unreasonable. If the time and date proposed is manifestly unreasonable, the President shall schedule the special Board Meeting at a time and date calculated to garner the maximum attendance of the Board as close in time to the original proposal as reasonable. Special Board Meetings under this section shall be by videoconference. Special Board Meetings under this section are open only to voting members of the Board unless otherwise requested by the Board.

#### **4(e) Quorum**

A quorum is present for a Board Meeting when the both of the following conditions are satisfied:

1. There are at least eight elected members of the Board present; and
2. There is a majority of the officers of the Association present, or the President and at least two other officers present.

For purposes of this section, a person is present if they are either physically present or participating via videoconference. Once a quorum is reached, there is a deemed quorum until the meeting is adjourned.

#### **4(f) Voting**

Unless otherwise specified by these bylaws, the Board of Directors may take any action by majority vote. “Majority vote” is defined as greater than half of all members present and voting. The President shall have no vote on the Board unless needed to break a tie or is the deciding vote in establishing a higher majority. A member must be present in order to vote at any board meeting, either in person or via videoconference.

#### **4(g) Meeting Procedure**

Each meeting shall be commenced by the President or President-Elect in the President’s absence calling the meeting to order. The first order of business in every meeting shall be the call of the roll to determine whether there is a quorum present.

The President shall chair all meetings and may place any reasonable time or manner limitations on the meeting as the President, in his or her sole discretion, believes is appropriate.

The meetings shall be run in accordance with the most recent edition of Robert’s Rules of Order. Any questions of procedure are to be directed to the Parliamentarian for determination. In the case of any dispute over the rules, the Parliamentarian shall recommend a ruling to the President. Any recommendation of the Parliamentarian which is

adopted by the President may only be overturned by a 2/3 vote of the Board.

At the end of the meeting the floor will be open to any comments or concerns of members present. Public comment by members will be restricted to a total of not more than 30 minutes to be evenly divided among the number of members who wish to be heard.

## **Section 5 – Removal and Absences**

A Board Member may be removed for good cause shown, as determined by the Board of Directors, upon the approval of 3/4 of the Board.

All officers and elected members of the Board of Directors are expected to personally attend any Board Meeting scheduled to be held concurrent with a Semi-Annual seminar. Absences may be excused for good cause by the Executive Committee, if such absence request is made in writing prior to the Seminar. Such request shall be made to the President.

Any unexcused absence, or two consecutive absences whether excused or not, renders that Board seat presumptively vacated. The President, in his or her sole discretion, may declare that Board Seat vacant after consultation with the absent member. - d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Corporation's best interest, for its own benefit, and whether it is fair and reasonable. It shall

make its decision as to whether to enter into the transaction or arrangement in conformity with this determination.
